

Stephan-Fowler Wed In Candle-light Service

Gowned in white satin and chantly lace, Miss Patricia Arlene Stephan became the bride of Bernard John Fowler at Michelson Memorial Church on Saturday, June 28th, at 7:30 P. M., in the presence of 150 guests.

Elder Harry Doty of Traverse City read the double ring ceremony in the candle-light church that was decorated for the occasion with a profusion of white daisies, mock orange and pink peonies. Satin bows graced the pews and candelabra.

Patricia is the daughter of Mr. and Mrs. Norval Stephan, Camp Thunderbird, AuSable River and Bernard the son of the late Mr. and Mrs. William Fowler.

Mrs. C. G. Clippert presented an interlude of organ music preceding the ceremony. The traditional wedding march was played and Mrs. Clarence Parrish sang "Because" and "I Love You Truly."

Patricia was given in marriage by her father. Her bridal gown was fashioned with a long line bodice of chantly lace over satin with a deep scalloped panel in front and tiny satin covered buttons down the back. The neckline was Victorian and the long sleeves were pointed at the wrists and edged with narrow rickshaws. The train was worn over the left shoulder and ended in a Cathedral train that was designed with a panel of lace over satin. Her long chantly lace and net veil was held in place by a tiara of mirrored beads and seed pearls. She carried a white orchid on a white prayer book from which the streamers entwined with white sweetpeas.

Miss Jackie Graber of Rose City was maid-of-honor. She wore a pastel pink lace strapless gown and matching stole. White lace mitts and tiny white train hat. Her coronal bouquet was white carnations centered with a red rose and tied with varicolored pastel streamers.

Mrs. Donald Parrish, Miss Toni Stephan and Miss Helen Stephan were bridesmaids. Their gowns and accessories were identical to the maid of honor's with Mrs. Parrish and Miss Toni wearing pale blue and Miss Helen pastel green. They also carried bouquets identical to the maid of honor's.

Best man was James Vallad of Pontiac. William Wyas, James Wakeley and Dan Nolan of Mio, all brothers-in-law of the groom, acted as the groom.

Mrs. Stephan wore an orchid brooch, floor length gown for her daughter's wedding. Her corsage was made of yellow roses. The bride's grandmothers, Mrs. Albert Vallad and Mrs. John Knecht wore carnation corsages.

A reception was held in the church parlors following the ceremony. The four-tiered wedding cake was made by the bride's mother and decorated in white with tiny pastel pink rose buds by Mrs. Wellman Vallad. The table bearing the cake was spread with a lace cloth and decorated with flowers down the sides. The cake was graced on either side with crystal epergnes bearing tapers and mock orange.

The bride and groom cut the first slice of cake with a silver knife inscribed with their names and marriage date, a gift of Mr. and Mrs. Hurl Beckrow. Mrs. Beckrow assisted by Mrs. Eugene Papendick cut and served the remainder of the cake. Coffee was served from a separate table bearing the coffee services and napkins bearing the names of the bride and groom. The bride's grandmothers presided at the coffee table. The gift table was decorated with bows from the gift wrappings and following the reception the many lovely gifts were opened. The reception was in charge of Mary Martha Church, chairmaned by Mrs. J. L. Martin and Mrs. Thomas Haugh.

Wedding pictures were taken by W. C. Coy of Gaylord. Mr. and Mrs. Fowler left on a two weeks wedding trip through the South and West. Mrs. Fowler chose a white butcher linen suit and pink accessories for going away.

The bride graduated from Grayling High School and was graduated from North Eastern School of Commerce, Bay City in May. Mr. Fowler graduated from Kenton High School, Kenton, Ohio. Mrs. Fowler is a forest ranger. The couple will make their home in that city upon their return.

Guests present at the wedding and reception were from Pontiac, Flint, Detroit, Rose City, Muskegon, Lansing, Cling, Mackinaw, City, Gaylord, Kalkaska, Traverse City, Mio, Fairview and Freeland.

City Council Votes To Buy Huge, New Generating Engine

Drop Purchase Plan From Consumers Co.

The Grayling City Council at their monthly meeting on Monday night voted 4 to 1 to purchase a huge, new Nordberg generating diesel engine to be installed at the Municipal Light plant.

By the same vote the Council dropped plans to purchase needed power from the Consumers Power Company. Consumers Power Company spokesmen felt that the purchase of power from their company would have been of benefit to the city in that it would not have required any capital investment and the rate offered was reasonable. They also said the power need would be flexible so that any amount needed at any time would be available. They also pointed out that the service would be very reliable. Operating expense of a plant like Grayling's will be higher in the future than what Consumers could produce it for, Company spokesmen said.

The Council, however, felt that

it was much better to continue to produce power in its own plant in that the City would have definite control over the production, distribution of electric energy and costs of plant operation.

In the vote on the purchase of the new Nordberg engine, Councilman George Burke voted against the proposal because he felt that a Superior Engine was preferable.

The vote to drop negotiations with Consumers Power brought a negative vote from Councilman Emil Tahvonen. Councilman Tahvonen then introduced the proposal to purchase the Nordberg engine which passed 4 to 1.

The new engine will cost the City of Grayling about \$118,800 and will be obtained on a title retaining contract. This means that bonds will not have to be sold, but the engine will pay for itself out of profits earned by its operation. The engine is capable of developing 800 kilowatts each hour and City Manager Max Davenport says that it will be sufficient to serve the City's electric power needs for the present and for several years to come.

The Nordberg Manufacturing Company of Milwaukee, Wis. will make delivery of the engine in about six months. The City of Grayling will immediately start construction on an addition on the south end of the present light plant building to house the new motor. The addition will measure 20 by 40 feet. The new engine will run at a speed of 450 r.p.m. and is a cast iron motor which is the type in use in diesel plants throughout the State. The National Supply Company made an offer of a \$114,830.00 for a motor of like capacity, but it was rated at 800 r.p.m. and is a motor of a new type to the industry in the state.

Grayling Wins And Loses

The Grayling Independent Base ball team took on Local 943 of Traverse City last Sunday at the City Park Field in a Chain of Lakes League game and came up with a 17 to 3 victory.

Bob Gildner hurried the entire game for Grayling and hung up 14 strikeouts. Tom Anthony caught the first 7 innings and then gave way to his brother Clyde who finished the game back of the plate. Tom was forced out of the lineup by the heat.

The Grayling pitcher also added to his cause with line drive home run that left home plate like a bullet and cleared the fence.

Sunday evening, Grayling went to Aiden and played under the lights. The boys unused to the glaring lights played at a distinct disadvantage and were defeated 17 to 1. Dick Miller on the mound for Grayling and pitched 6 innings striking out 7 men. Gildner finished the game striking out 3. One feature of the game was a long hit by an Aiden player which by all rights should have been a home run. However Grayling outfielder Duane Worden thought differently and after a long run, he smashed into the fence but dragged down the ball for an out. The play brought long applause from the crowd. The game was not a league fair.

On July 4, Grayling will meet Consumers Power Company's team at the City Park Field here at 2:30 in the afternoon. This game is a make up from the league's first stated game which rained out. Next Sunday, July 6, Grayling travels to Central Lake in a league game.

Judge Ray Clement Attends Convention

Probate Judge and Mrs. Ray F. Clement attended the State Convention of Probate Judges held in Ludington last week on Monday, Tuesday, Wednesday and Thursday.

Sessions were held in the Elks Temple there with the annual banquet occurring Wednesday night. A feature of the convention was a trip to Manitowish, Wisconsin aboard the car ferry City of Saginaw. Among many speakers was Dr. Harlan A. Hatcher new President of the University of Michigan who gave the convention keynote address at the banquet.

Elected for the coming year in a business session Thursday morning were: President, Judge McClellan of Lansing; Vice-president, Judge John Dalton of Grand Rapids; and Secretary-treasurer, Judge Joseph Murphy of Detroit.

Grayling Evangelical Lutheran Church News

There will be Holy Communion in Grayling Lutheran Church Sunday July 6th at 11 a. m.

At this service will be used for the first time a new altar cloth donated to the congregation by Mr. A. J. Nelson in memory of his wife.

HOSPITAL NEWS

Patients at Mercy Hospital include Pamela Gibson; Paul Jones; Melvin Moore and Louis Nolrot.

Among those released from the hospital during the past week were Mrs. Elvace Coggins of Lewiston, Violet Thompson and Tom Hilton.

It's a son, born to Mr. and Mrs. Dale Rodman at Mercy Hospital June 30th.

BOYS CUT TREE, PAY FOR IT

Three Detroit boys camping at the City Tourist Park cut a birch tree down on the property apparently for the thrill of yelling, "Timber."

They were apprehended and made to pay for the tree which gave them another type of a thrill and probably a chance to yell in a different tone.

Puffer Attacks Foreign Policy

"A vacillating foreign policy has been responsible for many of America's troubles in recent years, a policy that has often strayed far from American ideals and principles," R. C. Puffer, Congressional candidate from Grayling on the Republican ticket stated today.

"Too often we have permitted the interest of our allies to dictate our policy. In view of the fact that America occupies a place of leadership and millions of people look to us to keep the lights of liberty burning, it seems to me we should be strong enough to fashion our own foreign policy," the Grayling candidate for the Tenth District Congress post declared.

"Our State Department has not made a strong approach to problems arising in Asia and steadily we have been losing the respect and friendship of the people of the East," the Republican nominee continued.

"One cannot help but feel that our enemies in the East often have a good laugh at our expense. Firmness in dealing with the Korean situation might have saved many lives as well as interminable stalling, which has resulted in a condition of affairs that leaves us without alternatives," the Congressional hopeful emphatically stated.

"American parents whose sons are being called to serve in the armed forces of the nation should demand a policy of strength based squarely on American principles that moves straight ahead toward a world of free men," candidate Puffer concluded.

Mt. Hope Lutheran Church Sponsors Survey

The Mt. Hope Lutheran Church of Grayling is sponsoring a religious survey of the city and 12 ministers of the church met at the home of Mr. and Mrs. Matthew Bidvia Tuesday morning to be allotted the territory they are to cover. Present were the Reverends Harold F. Krach of Petoskey, Ferdinand J. Sattelmeyer of Boyne City, Herbert J. Meyer of Morkie, Harold Held of Hillman, Otto Koenig of Hawks, Charles F. Roegner of Onaway, F. W. Henneman of Alpena, Paul R. Beck of Gaylord, Richard Nottze of Alpena and A. H. Klenke, Lewis Linn and Robert Weller, of Rogers City.

A dinner at noon at the AuSable River Inn was enjoyed by the group and several members of the Grayling congregation.

Last Sunday evening being the first service in Grayling for Rev. Paul Beck, a potluck lunch was enjoyed by the congregation in the basement of the Grange Hall following church services. Rev. Beck was presented with a purse.

HONORED WITH SHOWER

Mrs. B. Elmore Henig and Mrs. Bill Joseph were co-hostesses at a birth shower honoring Mrs. Leonard Knibbs last Wednesday.

Twenty ladies were invited to the Henig home for luncheon. The table was centered with a baby lamb pottery vase which held an arrangement of pink and blue carnations. A large stork candle provided light.

Following luncheon Mrs. Knibbs opened her many lovely gifts.

CIRCUIT COURT OPENS TUESDAY, JULY 8th

The July term of Circuit Court will open at the Crawford County Court House at noon Tuesday, July 8 with Circuit Judge John K. Shaffer presiding.

The calendar facing this term of court is a small one, involving two criminal cases and seven chancery cases. The two criminal cases are the people of the State of Michigan versus William Bielski and Robert E. Lutz, both on charges of breaking and entering in the night time. The cases in this term of court will involve only sentencing, as both men pleaded guilty before Judge Shaffer on Tuesday, April 8 to the charges. They were arrested by Sheriff William F. Goinick after breaking into cabins east of Grayling along M-72. The pair waived examination before Justice Larry Galehouse and were bound over to the April term of Circuit Court where they pleaded guilty.

Chancery cases are made up of three divorce cases, a bill of complaint, a restraining order, a foreclosure of a land contract and an order to show cause. It is expected that the July term of court will be finished in quick fashion.

Annual School Meet, July 14

At the annual school election on Monday, July 14 the electors of Grayling School District No. 1 will be asked to vote a special 2 mill school tax for building replacement and construction.

This tax is to replace the special 5 mill tax that expired last year. Money received from this special tax has made it possible to do a great deal of modernizing on the buildings and keep them in good repair as well as to build up a Building and Site Fund of over \$30,000.

Next fall a second enrollment will join the High School and a still higher enrollment is in sight for the fall of 1953. This September, 330 High School students will be crowded in space allowed for a maximum of 270 pupils. By September 1953 or before it will be necessary to provide more High School classroom space and add at least one more teacher.

The school's largest kindergarten enrollment is also expected this fall and it may be necessary to add another kindergarten teacher if one can be found.

The loss of enrollment in the elementary grades this year will reduce the District's state aid by over \$12,000 in another year.

The increasing enrollments in the kindergarten and high school grades plus the loss of state aid due to the reduced enrollment in the elementary grades will place the District in poor financial condition unless the local tax revenue can be increased.

After careful study the local school officials feel that the proposed 2 mill tax will meet the minimum needs of the school district and make it possible to keep the buildings in reasonable repair.

One member of the School Board will also be elected as the term of Dan Babbitt is expiring.

FORD DEALERS MEET HERE

Twenty Ford Dealers met at the AuSable River Inn for an all day meeting last Thursday. A chicken dinner was enjoyed at noon.

Among those present was James Clune of the Grand Traverse Auto Company, Traverse City who was in charge of the meeting and Jack Williamson of Detroit, representative of the Ford Motor Company who addressed the group. A report on current conditions was given.

Bishop Emrich At Prudenville Monday

The Right Rev. Richard S. Emrich S. T. D. will be at All Saints Episcopal Church, Prudenville, Monday, July 7 at 8:00 P. M., for confirmation.

A reception for Bishop and Mrs. Emrich will be held in the undercroft immediately following the service.

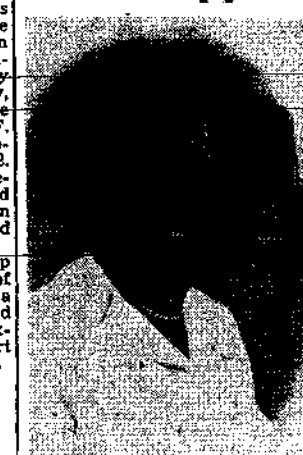

Mrs. Elsie Lynch of Alpena is visiting Mrs. James Lynch.

Attempt To Place Children In Grayling

Would you like a foster child in your home? If so, you may be interested to know there is a need for foster homes in this area.

Children are frequently placed in unrelated homes by their parents for either full time care or for day care only. An attempt is being made to establish a register of licensed boarding homes for the convenience of these parents who find such placement necessary. This is being done through the Independent Boarding Home Program.

Further Child Welfare Services in the community includes the placement of children who are wards of Michigan Children's Institute (the only public child place ment agency in Michigan). Boys Vocational School in Lansing, and the Girls' Training School in Adrian. These last mentioned placements are made when it is impossible for the child to return to his own home, and it is indicated that the child will profit from full time foster care. Financial obligations are assumed by the agency involved. There are also limited Federal funds available for the payment of boarding care for particular children.

If you are interested in any of these programs—either from the angle of placing your child or in giving foster care—you are urged to contact your local children's worker. This can be done by calling 4711 in Grayling or writing to Children's Worker, Bureau of Social Aid, Grayling, Michigan. Your children's worker will be glad to give you all the information possible.

Motorists Must Control Speed Says Chief

Although it's lives that are important, failure to control speed is also very costly in terms of money, Chief John A. Papendick of the Grayling Police Department comments in calling upon drivers to take it easy and save themselves and their cash. A speed control campaign is currently under way throughout the state.

"The cost of traffic accidents," Chief Papendick said, "is high in terms of dollars and cents as well as in terms of lives lost. The worst part of it is that most accidents could be avoided if drivers would control speed and exercise other safe driving practices."

"The price of 13,016 lives lost in Michigan traffic during the past 10 years is, of course, incalculable. The monetary cost, based on wage loss, medical care, cost of insurance administration and property damage, is estimated at more than a billion dollars."

"Excessive speed is not only cause of the high accident toll, but is regarded as public enemy number one on the highways. Furthermore, speed often means the difference between life and death in accidents caused by other acts of carelessness and recklessness."

"Some persons never live to learn just how costly excessive speed really is. Many others learn at the expense of innocent persons' lives and painful injuries."

"Courtesy, caution and common sense can save many lives. There is no reason why all drivers should not practice these virtues and help make our streets and highways safer. Take it Easy."

Mrs. Tony Buron and children spent last week in Pt. Huron visiting relatives and friends. She was accompanied by Mrs. Ann Griffin, who spent the time visiting Mrs. Silvia Leese and children.

First Air Guard Due July 19

Ohio National Guardsmen will begin arriving at Camp Grayling Thursday to start a two-week training period. State National Guard officials announced at Lansing today.

No Guard trucks will be on highways between the evening of July 3 and early morning of July 6, however, highway department officials said.

Most of some 2,000 Ohio troops will arrive early July 6 on highways US-223, US-127, and M-52, converging in Jackson on US-27 and remaining on that highway to Camp Grayling.

The July 6 contingent will be

Launch Ballot Campaign

Grayling's greatest Registered and Vote campaign was launched Monday night through the co-operation of two non-partisan, community organizations.

The campaign, entitled "Ballot Battalion," is expected to result in the largest turn-out at the polls in the history of the City of Grayling elections.

The Grayling Ballot Battalion is comprised of representatives of Kiwanis and Womens Club. Representatives of these organizations elected Art Clough, as General Chairman of the Ballot Battalion. Mr. Clough is a Kiwanian and resides in Grayling.

General Chairman Clough said that the drive to register every eligible voter will get under way June 30. The Laws and Regulations Committee of the Ballot Battalion estimates that there are at least 1,200 potential voters in Grayling. However, a check of registration records shows that only 1,075 are registered to vote. In its intensive drive to attain 100% registration of all eligible voters, the Ballot Battalion will conduct a telephone survey and door-to-door canvass to urge all non-registered voters to qualify before election time.

R. C. Puffer of Grayling, Republican candidate for Congress in the Tenth Congressional District was the speaker at the Monday night's meeting and told the club of the importance of getting everyone registered and to see that they cast a ballot.

Mr. Puffer quoted figures to prove Americans were becoming very lackadaisical in their attitude of their privilege to vote. In the 1940 election only 53.4 per cent of the eligible voters voted. In 1944, the figure rose to 58 per cent and in 1948 dropped again to 51 per cent. In 1950 only 44 per cent or less than half the people cast a ballot. In the meantime in Italy 89 per cent of the eligible voters voted, in Japan 70 per cent cast ballots for democracy and in the last election in England 82 per cent of the voters went to the polls to change from a socialistic-Labor Government to Winston Churchill's Conservative Party.

Formal Blessing Marks Opening Of New St. Mary's Church and School

St. Mary's new Church and School were solemnly blessed by His Excellency, the Most Reverend Francis J. Haas, the Bishop of Grand Rapids, last Sunday afternoon. Many visiting members of the clergy assisted in the ceremony. Father Raymond Sweeney, pastor of St. Thomas Parish, Grand Rapids, accompanied the Bishop to Grayling and acted as Master of Ceremonies. Father J. Walter Grill, pastor of St. Michael's Church, Roscommon, and Father Frank Kaminski, pastor of St. Mary's Parish, Gaylord were chaplains to the Bishop. Mr. Vernon Sierminski, a seminarian in Theology, was assistant Master of Ceremonies. Father Jerome Szydlowski, pastor of St. Thomas parish, Elmira, was celebrant at Benediction of the Blessed Sacrament, which concluded the ceremony.

Father Edmund Farrell, pastor of St. Stephen's Church, Lake City, and Father Michael Kirkkala, assistant Pastor of St. Michael's Church Roscommon, were deacon and sub-deacon respectively at Benediction.

Other priests in attendance included Father Francis Branigan, former pastor of St. Mary's and now pastor of St. Henry's Church, Rosebush, Father Paul Schneider, pastor of St. Michael's Parish, Remus, Father Walter Jude, pastor of St. Leo's Church, Winn, Father James O'Brien, chaplain of Mercy Hospital, Cadillac and Father Marcellus Van Bergen, assistant pastor of Sacred Heart Church, Muskegon Heights.

Various parish groups took an active part in the Blessing of the

transported in buses.

Ohio Guardsmen are using Michigan's Camp Grayling because the Ohio camp is being used by federal troops.

Ohio units to train at Camp Grayling include 168th RCT, 107th Armd Cav Regt, 372nd Inf Bn (sepr), 3640 Ord Maint Co, 137th MP Co, and Ohio State Hq and Hq Det.

And field training will not be limited to Camp Grayling. As Ohio field soldiers prepare for the long journey home July 20, some 1,200 army of Ohio's 121st Ftr Wg will arrive at the Grayling Air Base on July 19.

The airmen will probably make up for a week's lack of activity at Camp Grayling until July 27 when the "Cyclone" Division hits camp. Indiana Guardsmen of the 38th "Cyclone" Division and non-divisional units will total over 7,700 officers and men.

On August 3, an additional 340 men from Indiana, members of the 138th AAA AW Bn will arrive for their second week's training after spending the first week at Camp Perry, Ohio.

On August 10 all Indiana Guardsmen will be homeward bound. Ohio airmen will have been gone a week, but 450 Illinois Air National Guardsmen will have arrived at the Grayling Air Base.

Illinois airmen will still have a week of training ahead when on August 16, 7,500 members of Michigan's "Iron Fist" division embark for training at Camp Grayling.

In preparation for Camp Grayling's influx of out-of-state Guardsmen, command and general staff officers representing the out-of-state units gathered with Michigan National Guard officers May 24-25 for an orientation conference. Discussions included coverage of administrative details, camp facilities and logistical considerations.

PLAN GOLF CLUB POTLUCK JULY 4th

Nineteen members of the Auxiliary were present at the one o'clock potluck held at the golf club last Thursday. Mrs. John Olsen of Wisconsin and Miss Virginia Kraus were guests.

A discussion about the luncheons was held. Mrs. Ebbesen-Hanson and Mrs. Roy Trudgen were appointed as a committee to contact the various eating places who might be interested in serving the luncheons at the club house.

It was also decided that new steps were needed for the club house.

On July 4th there is to be a potluck dinner at the club house at 5:30. Bring table service and a dish to pass in proportion to your family or guests. Mrs. Bertha Peterson, Mrs. Fred Bear, Mrs. B. Elmore Henig and Mrs. Roy Millen are on the serving committee.

On Thursday July 10th there is to be an auxiliary luncheon at the club house. The luncheon will be served by Sorenson's Restaurant. It was decided that those unable to attend must notify the calling committee or else pay for the luncheon. In other words it will be assumed that all members will be present unless they notify the calling committee to the contrary.

Formal Blessing Marks Opening Of New St. Mary's Church and School

St. Mary's new Church and School were solemnly blessed by His Excellency, the Most Reverend Francis J. Haas, the Bishop of Grand Rapids, last Sunday afternoon. Many visiting members of the clergy assisted in the ceremony. Father Raymond Sweeney, pastor of St. Thomas Parish, Grand Rapids, accompanied the Bishop to Grayling and acted as Master of Ceremonies. Father J. Walter Grill, pastor of St. Michael's Church, Roscommon, and Father Frank Kaminski, pastor of St. Mary's Parish, Gaylord were chaplains to the Bishop. Mr. Vernon Sierminski, a seminarian in Theology, was assistant Master of Ceremonies. Father Jerome Szydlowski, pastor of St. Thomas parish, Elmira, was celebrant at Benediction of the Blessed Sacrament, which concluded the ceremony.

Father Edmund Farrell, pastor of St. Stephen's Church, Lake City, and Father Michael Kirkkala, assistant Pastor of St. Michael's Church Roscommon, were deacon and sub-deacon respectively at Benediction.

LEGAL NOTICES

NOTICE OF MORTGAGE SALE Default having been made in the conditions of a certain Mortgage made by C. J. Dibble and Lucille M. Dibble, husband and wife, to The Grayling State Savings Bank of Grayling, Michigan dated the 28th day of June 1950, and recorded in the office of the Register of Deeds for the County of Crawford and State of Michigan, on the 28th day of June 1950, in Liber P of Mortgages, on page 143 on which Mortgage there is claimed to be due at the date of this notice, for principal and interest, the sum of One Thousand Ninety-one and 22/100 (\$1,091.22) dollars, and the further sum of Fifty Dollars, as Attorneys' fees, making the whole amount claimed to be due at the date of this notice, to-wit: the sum of One Thousand One Hundred Forty-one and 22/100 (\$1,141.22) Dollars, to which amount will be added at the time of sale all taxes and insurance that may be paid by the said Mortgagee between the date of this notice and the time of said sale; and no proceedings at law having been instituted to recover the debt now remaining secured by said Mortgage, or any part thereof, where-by the power of sale contained in said Mortgage has become operative.

Now Therefore, Notice is Hereby Given that by virtue of the power of sale contained in said Mortgage and in pursuance of the statute in such case made and provided, the said Mortgage will be foreclosed by a sale of the premises therein described or so much thereof as may be necessary, at public auction, to the highest bidder, at the front door of the Court-house in the City of Grayling, and County of Crawford, Michigan, that being the place for holding the Circuit Court in and for said County, on Monday the 18th day of August 1952, at 10 o'clock in the forenoon of said day, and said premises will be sold to pay the amount so as aforesaid then due on said Mortgage together with seven per cent interest, legal costs, Attorneys' fees and also any taxes and insurance that said Mortgagee does pay on or prior to the date of said sale; which said premises are described in said Mortgage as follows, to-wit:

A piece or parcel of land bounded by and included within a line as follows: Commencing Forty (40) rods North of the Southeast corner of the Northeast quarter (NE 1/4) of the Southeast quarter (SE 1/4) of Section Twenty-nine (29), Town 25 North, Range 3 West, thence running West approximately 37 rods to the North edge of Trunkline Highway No. 1, S. 27, thence Southeasterly along the Northern edge of said highway 58 rods and six feet, thence East six rods to the East section line of said Section 29, thence North on said section line 40 rods to the place of beginning, containing seven (7) acres, more or less, and being a part of the NE 1/4 of the SE 1/4 of Section 29, T. 25 N., R. 3 W., Beaver Creek Township, Crawford County, Michigan.

Dated, May 16th, 1952.

Grayling State Savings Bank Mortgagee

Charles E. Moore (s) Charles E. Moore Attorney for Mortgagee 216 Michigan Ave. Grayling, Mich. Aug. 7-1-52

STATE OF MICHIGAN The Probate Court for the

County of Crawford

At a session of said Court, held at the Probate Office in the City of Grayling in said County, on the 30th day of June A. D. 1952.

Present, Hon. Ray F. Clement, Judge of Probate.

In the Matter of the Estate of Jeanne Babbitt, Deceased.

Helen Babbitt having filed in said Court her petition, praying for license to sell the interest of said estate in certain real estate therein described.

It is Ordered, That the 28th day of July A. D. 1952, at ten o'clock in the forenoon, at said Probate Office, be and is hereby appointed for hearing said petition and that all persons interested in said estate appear before said Court, at said time and place, to show cause why a license to the interest of said estate in said real estate should not be granted.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, for three successive weeks, previous to said day of hearing, in the Crawford Avalanche a newspaper printed and circulated in said County.

Ray F. Clement Judge of Probate

A true copy.

Ray F. Clement Judge of Probate 3-10-17-54

Notice Of Annual School Meeting

Notice is hereby given that the Annual School Meeting of Grayling Township School District No. 1 will be held in the Assembly room of Grayling High School on Monday, July 14th 1952 at 8:00 o'clock P. M. The purpose of the meeting is for the election of one school trustee, the term of Dan C. Babbitt expiring.

Also voting on the subject of raising the millage and voting on a 2 mill building and repair fund for a five year period.

And for the transaction of such other business as may legally come before an Annual School Meeting.

Board of Education, Grayling School District No. 1 Roy O. Milnes — Secretary 3-10

Eldorado News

Mr. and Mrs. Harry Matts returned home from Florida last week.

Dr. and Mrs. Warren B. Cooksey and daughters Mary Sue and Barbara of Detroit are spending a few weeks at their Sunrise cabin. Their son Norton and his wife are now traveling in Europe.

Mr. and Mrs. Charles M. Sharpe and son of Saginaw are vacationing at their cabin near Foley's.

Mr. and Mrs. Harry Bugbee and son and her father Mr. Steiner, all of Toledo, are enjoying their

vacation at their cabin.

Mr. and Mrs. Albert Mida of Belleville spent several days at their cabin here after a visit at Afton.

Donald Donaldson of Detroit is spending his vacation at the Frank Richardson home.

Mr. and Mrs. Nelson F. Stevens of Ypsilanti and Mrs. Myrtle Miller of Higgins Lake visited at the home of Mr. and Mrs. Russell A. Stevens Tuesday evening.

Mr. and Mrs. Frank Forrester

were visitors at the Boyd Funch home Sunday.

Mr. and Mrs. Harley Stephens of Pontiac spent last week at their cabin near Smith Bridge.

Word has been received from the Post Office Department that the Eldorado Post Office will be discontinued at the close of business July 31st. This date will end the 20th year of service as Postmaster of Mrs. Grace L. Funch.

Your Milk

During the height of the lumbering days, Grayling was a fast growing town and had a large population in the lumbering camps.

As the sick and injured are always with us, there was an urgent need for a nearby hospital. This involved a great deal of expense — But when a law was put into effect that the employer was responsible for anyone injured while in his employment it brought about quick action and safety measures only winked at before — And lumbering kings found the money to put up the building. Then the Mercy Hospital staff moved in after the lumbering was about over and the tourist had not yet arrived in numbers.

The hospital for some time had a hard time to make a go of it. Sometimes people received services and forgot to pay the bills. Late years the hospital has been full most of the time and the cry for more room is often heard. During the lifetime of this hospital, doctors, sisters and nurses have taken care of many thousand patients. Too much can not be said about good clean milk and it's value to hospital and home.

And don't forget Hunter's AuSable Dairy sells this milk.

Grayling, Michigan, Thursday, July 3, 1952

A Rugged Path . . .

No one knows who the next President will be. But whatever his name and party label, he is in for a rugged time.

United States News and World Report recently dealt with what the new President will face in a brief but comprehensive feature article. As it observed, the job offers many unique assets and prerogatives. The Chief Executive lives in one of the most magnificent homes on earth. Legions of assistants and servants are at his beck and call. He is treated with the utmost deference by everyone. Hardly a wish goes unfulfilled. He is paid a large salary and receives a \$50,000-a-year tax-free expense fund in addition.

But all these material benefits lose much of their lustre in the light of the enormous problems with which the President must deal—and of the fateful decisions he, and he alone, must make.

The U. S. News article is called "Troubles Ahead For Next President." Here, in capsule form, is the gist of what the magazine anticipates for him:

DEBT. Soon the national debt will touch the \$275,000,000,000 legal ceiling. The President will have to choose between asking Congress to raise that ceiling or cut the spending. Either way, he will make political enemies.

WAR. It seems certain that the Korean War will still be going when he takes office, even though it may be relatively passive. This is a stalemated, totally unpopular war. What will he advocate to end it?

BUSINESS. Many economists think that the boom is running down. Next year, it is forecast, there will be a substantial decline in industrial expansion. There will probably be a drop in profits—and that will bring a

THE AMERICAN WAY

Discrimination

drop in tax collections, making the budget problem still more difficult. The ranks of the unemployed will be swelled. All this may happen very soon after the next President moves into the White House.

AGRICULTURE. Some farm commodities are in a surplus state now. Other surpluses are anticipated. So, as U. S. News put it, "The next President is to be caught between the pressure of city people interested in cheaper food and a farm population insisting that government support farm prices against substantial decline."

BUREAUCRACY. The President is the titular boss of 6,200,000 people—2,500,000 civilians and 3,700,000 military. This huge payroll is one of the primary causes of our outside Federal budgets. And here again the next President must make a difficult decision. In the view of U. S. News, "If he does not cut the payroll and the functions of the government bureaucracy, his financial troubles will grow. If he does cut the payroll, some people will be out of jobs, raising political fuss, and if he cuts functions some group or region will lose a good thing and also will raise a political fuss."

These aren't all of the problems the beleaguered next President will face—not by a long shot. And great problems we can't even anticipate today may also be his. But they serve to indicate the enormous and unavoidable burdens that are part and parcel of what is accurately described as the biggest job in the world.

Reduce Speed, Cut
Accidents Officer Urges

Sergeant Hiram Grimsom, commander of the Houghton Lake post of the Michigan State Police, is appealing to motorists to practice strict, self-enforced speed control to reduce the alarming high number of highway accidents.

"Excessive speed is public enemy number one on the highways," Sergeant Grimsom said. "It is a factor in two out of every five fatal traffic accidents."

"During the summer months when travel is at a peak, speeding is especially hazardous and deadly. Week ends are the worst."

"Last year 470 persons were killed in Michigan traffic during June and July and August. An average of 21 fatalities occurred every week end."

"Motor vehicle travel this summer is expected to exceed an average of 80 million miles per day. Unless greater caution is taken, particularly in maintaining safe driving speeds, the accident toll will again be shamefully high."

"There is no good reason why accidents cannot be kept at a minimum. It simply requires some effort on the part of drivers. By practicing courtesy, caution and common sense lives can be saved and injuries and accidents prevented."

"If you take a motor trip, get off to an early start. Take your time and stay with the normal flow of traffic. Adjust your driving speed to conditions. Be careful and be here next year."

reside.

Mr. and Mrs. Herbert W. Wolff of New York City have opened their cottage at Lake Margrethe.

Mr. and Mrs. Robert Paulson of Detroit announce the birth of a son, Robert Jr. Mrs. Paulson was formerly Miss Matilda Cook.

Alfred Hanson and Alec Atkinson made a business trip to Bay City Monday.

Mr. and Mrs. Clarence Miller of Alma were the guests of Miss Kristine Salling Wednesday and Thursday.

Miss Eleanor Gorman has been spending a few days as the guest of Misses Alyce and Mary Mahancke at the Pines.

Miss Ingeborg Hanson of Detroit spent the week-end at her home and had as her guests Mr. and Mrs. Anchor Nelson.

Mr. and Mrs. G. R. DeBois and daughter Jeanne of Grand Rapids are the guests of Mr. and Mrs. Oscar Schumann over the Fourth.

Mrs. Adolph Peterson and daughter Natalie Ann motored to West Branch to accompany the former's grandmother, Mrs. Raymond, here for a visit.

Miss Fedora Montour, who is doing nursing at St. Joseph hospital in Ann Arbor, is visiting her parents, Mr. and Mrs. David Montour for the summer.

Miss Ida Granger had the Misses Ingeborg Hanson, Kathryn Brown, Ruth McNeven and Agnes Hanson as dinner guests at her cottage Monday evening. All remained for the night.

46 Years Ago — July 5, 1906

Mrs. C. G. Kerry of Saginaw is here visiting her husband for a few days.

Jonas Metcalf came up from Holly to celebrate with his mother.

The receipts at the Grayling Post Office for the last quarter were the largest in the history of the office.

Miss Helen Johnson one of our graduates took the train Friday for Big Rapids where she will take the teacher's course this summer.

The parents of the graduating class gave a dance at the opera house in their honor Saturday evening. Members of the school board and other friends were present.

GRAYLING

Michigan Mirror

June 26, 1950! Do you remember it?

It was a blistering hot Monday. But people weren't talking about the weather. They were talking about names that were still strange on their tongues: Pyongyang, Seoul, Pusan.

The day before, while Michigan had taken to the road to dodge the heat wave, North Korea forces had crossed the Republic of Korea's borders and were advancing with the speed of Hitler's panzers.

Today, June 26, 1952, Michigan Civil Defense officials are preparing to set up a 24-hour aircraft spotting service. Twenty-seven states, including Michigan, that ring vulnerable northern perimeter of the nation will go on the alert, July 14.

But, with only 9,000 volunteers lined up in Michigan, and 18,000 needed, CD chiefs worry about the apathy of people whose lives have been on the whole quite unchanged by the Korean "policy action."

That apathy is due to the rapid oscillation of news, from good to bad, from the 38th Parallel.

There was a period of shock when American soldiers entered combat, the shrinking beachhead at Pusan, the bitterness of defeat.

Then came mounting hope, spurred by MacArthur's brilliant landing at Inchon and the GI drive toward the Yalu. The gloomy days of the epic retreat from the Chongjin Reservoir again gave way to hope when truce negotiations began.

But the protracted sessions in the circus tent at Panmunjon have dulled America's tenseness. You can't stay at hair-trigger alert indefinitely without the stimulus of danger. Maybe Uncle Joe bases his truce talk strategy on that fact.

How, then, to find 9,000 volunteers to man ground observation posts?

Brig. Gen. Lester J. Maitland, Michigan CD director, believes the "cards-on-the-table approach" is the way to do it.

"We're not trying to scare anyone," he affirms. "We're just going to present the facts. I think that's all the American people need to know the danger their country faces."

"Russia has 400 operational bombers... and the atom bomb."

Maitland came back from the Yucca Flats atom tests with a soldier's respect for the potency of the bomb. But "proper preparation and a well organized Civil Defense Corps can combat atomic attack," he is sure.

By the Arctic route, Maitland points out, Michigan and its huge war plants are close to Russia. Detroit, Flint and Grand Rapids are critical targets; the Soo Locks are "island targets," just as tempting to the Red Star fly-boys.

"We'll never start a war. If one comes it will come when Russia starts it... and we'll know about it when their bombers hit."

"A \$300 million radar network enables us to track planes in from Alaska but under 5,000 feet radar won't work. That's where the ground observers come in."

Spotters won't have to learn laboriously to recognize all types of aircraft, says Maitland. All they have to do is report. Civil Aeronautics and Air Force liaison will start interceptor pilots scrambling if the planes are unauthorized.

"There are fighter units (I can't tell you where, but in Michigan) which can take off in five minutes. Each minute saved means six air miles gained. An alert ground observer could save Detroit," the general points out.

If Russia attacks, she knows

we'll retaliate with bombing. That means she needs fighter planes to protect her cities. She has them, 4,000 to 5,000 MiGs. They're good planes...but they're not night fighters.

So it is to Stalin's advantage to strike when his fighters have the most daylight hours. That's in the Summer, of course. Many important Soviet bases are so close to the Arctic Circle that daylight stretches for 20 hours.

Long days help navigators, too. The men in the Kremlin will add that up in their battle plans.

America will never begin a "preventative war," all authorities agree on that.

So what do we do while an enemy makes up his mind to strike? "We try to give them cause to think," says Maitland.

"If we have an alert ground observation network, we can rob attackers of the important element of surprise. That worked in England. With civilian spotters alerting the RAF, Germany lost the Battle of Britain."

"If the Russians know we have spotters every eight miles, they can't hope for another Pearl Harbor. That may make them pause in their considerations," he believes.

Anti-aircraft guns are ringing important targets. Batteries are on constant alert in downtown Detroit, for instance.

The sight of them may give a sense of urgency to people who live in those A-bomb target areas. But what about the grocer in Clare, the miner in Negaunee or the farmer in Bad Axe?

"Cold and dark at 2 A. M.," admits Maitland. "A man's tired after he puts in his day's work."

LOYAL ORDER OF MOOSE

"But our fighter pilots are on duty 150 hours a week. That's right 150 hours when they have to be ready to scramble in two minutes flat."

America—and Michigan—need observers who will serve even when the calm of a Summer's night or the brilliance of a Fall sunrise chase away thoughts of Korea, Red saber-rattling in East Germany, the shooting of a Swedish plane in the Baltic.

"We need people who, if they don't see any bombers, will just say 'Thank God!'" says Maitland.

"We've got to put this over. We're not crying wolf but nobody's resting easy in the Pentagon these nights."

"I may be an optimist. But I

feel that if you lay it on the table! When he says something it has the honesty, the American people will ring of brusque sincerity. "I believe Michigan people will respond," he says.

Now! Your only chance this year as an individual...

(with your family, if married)

to get Blue Cross - Blue Shield protection against hospital and surgical bills without enrolling through a group!

The chances are now 1 in 3 that you or a member of your family will face hospital bills this year! You don't have to risk your savings! You can get Michigan's most widely-used hospital and surgical protection sponsored by Michigan hospitals and doctors, if you act NOW!

Where would the money come from, if an accident or sickness put you, or a member of your family in the hospital?

The time to do something about protection against hospital bills is NOW... while your family has its health. It's too late, after an accident or illness strikes. And strike it will, to put someone from one out of every three Michigan families in the hospital this year.

Over 2 1/2 million in Michigan enjoy Blue Cross - Blue Shield protection! There is a proved and practical way to protect yourself and your family against unexpected hospital bills.

Some years ago, Michigan hospitals and doctors started the famous Blue Cross - Blue Shield Plans. Today these plans

provide protection for over 2 1/2 million people in Michigan. They have provided benefits worth over 222 million dollars in the last thirteen years.

FOR LIMITED TIME ONLY... enrollment opened to everyone in Michigan under age 65! Most members joined Blue Cross - Blue Shield through group enrollment. However, to approach its goal of protection for everyone in Michigan, Blue Cross - Blue Shield provides this special non-group enrollment opportunity. Now, anyone under age 65 can enroll themselves and their families without belonging to a group.

Why non-group enrollment is for a limited time only! If non-group enrollment was kept open indefinitely, many people would put off

Your ticket to worry-free recovery! Your Blue Cross - Blue Shield card is all you need when admitted to any one of the over 150 Blue Cross participating hospitals in Michigan.

Joining until they had to go to the hospital. That would increase the cost of Blue Cross - Blue Shield to everyone. Mass enrollment over a limited time, however, "spreads the risk," keeps cost low. That's why you must inquire before July 12th... during this special campaign. No physical examination, no health statement is necessary. You don't even have to be employed to get Blue Cross - Blue Shield protection now!

The cost of Blue Cross - Blue Shield protection is low for the benefits provided! Blue Cross - Blue Shield rates vary somewhat according to the type of protection you select. For a single person costs go as low as 10 cents a day. Protection for husband and wife can be yours for as little as 27¢ a day. To enroll your whole family costs only a few pennies more.

Send no money!

Just fill out and mail the coupon below. This puts you under no obligation nor will it make you a member.

We will send you literature and an application blank. No one will call on you. Fill in the application form and return it to us—only then will we mail you Blue Cross - Blue Shield certificates and identification cards.

THIS COUPON MUST BE MAILED NO LATER THAN JULY 12th

This could be one of the most important decisions you have ever made in your life! Don't put it off for another minute! Accident and sickness strike suddenly. Protect your family by dropping this coupon in the mail now! Pass the coupon along to a friend, if you already have this protection.

STATE OF MICHIGAN

The Probate Court for the County of Crawford

At a session of said Court, held at the Probate Office in the City of Grayling in said County, on the 20th day of June 1952

Present, Honorable Ray F. Clement, Judge of Probate.

In the Matter of the Estate of Edgar J. Caid, Deceased.

It appearing to the Court that the time for presentation of the claims against said estate should be limited and that a time and place be appointed to receive, examine and adjust all claims and demands against said deceased by and before said Court.

It is Ordered, That creditors of said deceased are required to present their claims to said Court at said Probate Office on or before the 6th day of September 1952 at 10 o'clock in the forenoon, said time and place being hereby appointed for the examination and adjustment of all claims and demands against said deceased.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order once in each week for three weeks consecutively, previous to said day of hearing, in the Crawford Avalanche, a newspaper printed and circulated in said County of Crawford; and

It is Further Ordered, that a copy of this order be served upon each party in interest named in said petition by registered mail with return receipt demanded addressed to such person at his or her last known address to be posted.

The Summer School will continue for two weeks and be followed on Friday evening, July 18, by an Achievement Program, and on Saturday, July 19, by a Fellowship Picnic at Hartwick Pines.

Graying Fire Department News

Weekly meeting of June 30th was called to order by Chief Middle LaMotte at 7:30 P. M.

At this time the Fire Department went on a tour, going through three more down town business places.

The first stop was Burrows Food Market. Wes LaGrow, the manager, showed us all through the building.

Our second stop was Dawson's Drug Store where we also went all through the building.

Our third stop was the Grayling Restaurant where we again went through. Like the other two, we looked for ways in which we could get into different parts of these buildings in case there should ever happen to be a fire.

When this was done we returned to the fire hall and read the minutes of the last meeting, which were approved.

Fourteen members were present. Meeting was adjourned at 9:00 P. M.
